1965

Foreward

This was the year of building, building a new high school, and more than that, building spiritual, social, physical, and academic young lives. This 1965 Excelsior is an illustration of those days at Lynden Christian High School when we were *Building For The Future*.

Dedication

To show our appreciation for six years of service which you have so willingly given to our school, we have dedicated this 1965 Excelsior to you, Mr. Stegink. During your years at Lynden Christian High School, you have given of your time to be sponsor of the sophomore and senior classes and the Science Club. In addition you have been a willing and dedicated instructor. You have also aided the school by supervising the book store where the students obtain essential tools for educational growth.

Building A New Lynden

The Lynden Christian High School that began in 1945.

It was 1945; the government had finally granted permission to build a high school. This process of construction required a community of consecrated Christian parents willing to meet the challenge of \$145,000 and a building and planning committee of enthusiastic leaders. In 1946 enough classrooms were finished to accommodate students from the seventh through the tenth grades. On March 28, 1947 the building was formally dedicated.

Since that time hundreds of students have passed through its halls. The twenty years of its history have been marked with achievements and success. More than just a building it has become a symbol of progress and Christian vision and a subject to a law of life--the old must be replaced by the new.

Christian High For The Future

Due to the increased enrollment and insufficient facilities, plans for a new high school were introduced; this was 1963. Such an endeavor needed the prayerful and financial support of dedicated Christians in this community. Actual construction began in 1964 and continued through the first half of 1965.

More than just a building it has become a beautiful symbol of progress, of meeting a challenge, of Christian consecration, of the new replacing the old.

We thank God for such a building, for such support. What a blessing is ours for the future.

The Lynden Christian High School begun in 1964.

Building and Guiding Youth

Superintendent

Mr. Ben Boxum

To The Graduating Class of 1965:

Do you remember the delightful story from your childhood about the three pigs who were house builders? One built a house of straw and the wolf blew it down; the second built of sticks and experienced the same fate; the third built of bricks and no matter how hard the wolf huffed and puffed, the house remained firm.

At Lynden Christian, this year has been one of major house building. You have viewed with admiration the practical yet beautiful new high school building under construction--no shoddy house of straw or sticks--by no means! Carefully selected materials chosen by a special building committee make up this structure.

But a Christian school is much more than sticks or bricks. A Christian school is dedicated to "build young people" for the future in a very unique sense. For time, yes--for instruction in how to make a living, certainly--but foremost, to help youth think God's thoughts after Him; to lead maturing young people into all truth; to cause them to know that there is no area of truth and real knowledge that is separated from Christ who is himself the truth, the way and the life.

The cornerstone of the new Christian School building must be of good quality. But the cornerstone of the Christian School as an institution must be Jesus Christ.

It is said of Abraham in Hebrews 11:10 that he looked for a city which hath foundations whose builder and maker is God. God forbid that it should be said of us that we who are building for the future should be guilty of rejecting the Stone which in reality is the head of the corner.

"Unless the Lord build the house, they labor in vain that build it." You graduating seniors, remember the Christian School that, by the grace of God, helped prepare you for the future, and the future of futures.

"For other foundations can no man lay than that is laid which is Christ Jesus." I Cor. 3:11. Are you, my senior friend, building for the future?

Yours in Christ,

Ben Boxum.

School Board

Graduating class of 1965:

In "Building for the Future" the Christians thought and prayer should always be, "how can I best serve my God and neighbor." To accomplish something of such great importance and bring joy and blessing to yourself, one of the essential requirements would be an education that has been well rooted and centered about the Word of God.

The Lynden Christian School Board is happy with you that you had the privilege of attending and graduating from a school which should equip and qualify you to better "Build for the Future."

It is our hope and prayer that your lives may have been spiritually enriched at Lynden Christian and that you may experience God's blessing on your future.

Col. 2:6,7:

"As ye have therefore received Christ Jesus the Lord, so walk ye in him: Rooted and built up in him, and established in the faith, as ye have been taught, abounding therein with thanksgiving.

Lynden Christian School Board,

Joe T. De Jong, President

The 1965 L.C.H. Student Council had the privilege of representing a student body and a school as fine as ever you will find. Education with a God-centered approach cultivates not only the mind but also gives the student a solid foundation on which to build his life.

Our year was highlighted by the Mixer, the All-Sports Banquet, the talent assembly, the election of student body officers and cheerleader, and the awards assembly.

As this year marked the arrival of football at L.C.H., it was the task of the Student Council to set up the criteria for the lettering program for football. Along with this the student body cards were made to include both basketball and football. The decision to purchase new song books to supplement our old ones was made. We also decided to join the National Association of Student Councils entitling us to opportunities not before afforded us.

The most thrilling event of the year was the student body's chance to represent Lynden Christian at the State Basketball Tournament in Tacoma. We would like to take this opportunity to thank you students, faculty, and Mr. Boxum for all the help, support, and cooperation you have given us in making this year a successful one.

A Capella Choir Receives "A" Ratings

"O sing ye to the Lord!"

For the 58 select members of the choir it was another successful year under the direction of Mr. Friesen. In the fall the choir sang at the Reformation Day Rally and the Back to God Hour Rallies. To add to the joy of Christmas, a Christmas concert was presented over KVOS-TV. At the Spring Musicale in Salem, Oregon the choir received an "A" rating. They later received the highest rating of all the choirs present at the Northwest Washington Music Educators Association Large Group Competition Festival at Arlington, Washington. The choir also made a record which would bring back memories of 1965 for years to come. Their last appearance was at the Spring Concert.

Each activity proves that God used the A Capella Choir as a highly successful means for Christian witnessing and musical entertainment.

This excellent group of musicians did much to ignite our school spirit. They contributed greatly to home games, pep assemblies and also fulfilled a request to play at the District Basketball Tournament. In November a concert was given to raise funds to pay for the new music room chairs. The highlight of the year was Spring Musicale at Salem, Oregon. As a result of Mr. Friesen's vigorous directing and the energy and effort of the band, they received the highest rating. The "grand finale" of the year was the Spring Concert where they gave an impressive performance.

It was a year of challenge, fun, and hard work, and God successfully blessed their performances.

Pep Club

Builds School Spirit

This year school spirit and loyalty were enthusiastically displayed by the Pep Club during the football and basketball seasons. The club, whose membership includes junior and senior girls, was a great asset to a successful season. They gave full support to the cheerleaders and they cheered the LYNCS on to the second place position in the State Basketball Tournament.

This year the Pep Club honored all the athletic stars and their coaches with an all-sports banquet.

The 1964-65 basketball season began with close and exciting contests with Lynden and other teams in our county. The team picked up important victories in preparation for the District Tournament. After beating Lake Stevens the LYNCS stomped the Lynden Lions for the first time in basketball history. After defeating Blaine our team claimed the title of Northwest District Champions! After four thrilling games at the State Basketball Tournament in Tacoma our "Cinderella Kids" came back with a glass slipper in the form of the second place trophy! It was a very successful and exciting season.

Coach Draayer's LYNCS, even after losing that heartbreaker to the Nooksack Valley Pioneers, earned a first place tie with the Blaine Borderites who suffered two defeats at the hands of the LYNCS earlier in the season.

Excellent pitching by Bruce Bode and Dean Douma and also the spectacular catching of Bob Brandsma kept the LYNCS on top throughout the season.

Varsity Track and Cross Country Team

Our cross country competed mostly with AA schools through invitation. They did quite well by winning meets against four A schools, nine AA schools, and losing to sixteen AA schools. In the Conference Meet held at Burlington-Edison, the outstanding performer for LCHS was Arie Van Weerdhuizen who placed fifth, out of about 120 competitors, and won a medal.

The track team composed of 1 senior, 7 juniors, and 11 sophomores made an outstanding performance this year. New records were set by Gord Terpstra and Arie Van Weerdhuizen, who earned a trip to the state track tournament in Ellensburg. Arie set a county record in the two-mile. The thin-clads gained much recognition this season.

Social Lives

Mrs. Richendrfer fared well in her attempts to keep her balloon.

Mixer

Develops Feeling of Unity

After the games refreshments were served.

The first social event of the school year was a memorable occasion for freshmen, new students, and new teachers. Everyone enjoyed the unusual freshmen initiation which consisted of the girls pushing pennies with their noses across the gym floor and the boys on their knees blowing feathers. The new teachers were initiated; they crawled across the floor blowing balloons into the air. Reminding them from behind was a flyswatter. After several exciting games, girls and boys were matched for eating lunch.

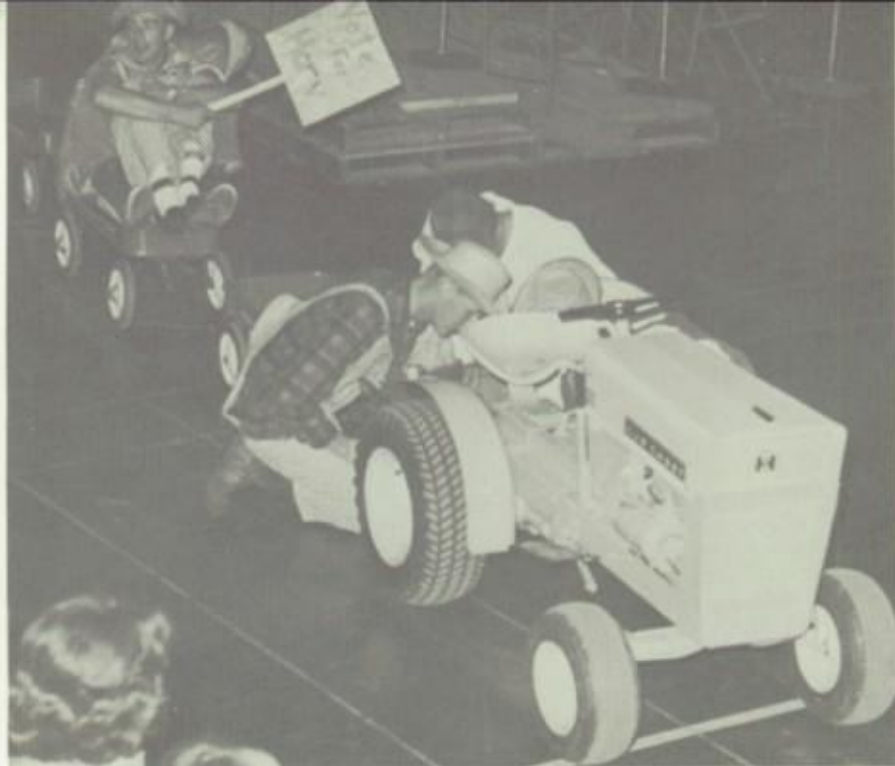

Always an interesting feature is the freshman initiation.

Boy meets girl--in this case a freshman boy and a senior girl!

Assemblies

Build Closer Relationship Among Students

The majority of students supported Barry Goldwater in our mock election.

"...and the prince had found his Cinderella!"

Students and faculty gather in our school gym for assembly meetings which are held at various times throughout the year.

Most of the assemblies were lively pep rallies for important basketball games. At these rallies the cheerleaders would also put on short skits to build up the enthusiasm for our games. Other assemblies included: The Johnson-Goldwater mock election, the Senior assembly and the all-school talent in which each class participated in two categories--music and drama. The judges gave first place prize to the Senior class for their entries. Later in the year the ASB election and awards assemblies were held.

Mothers' Tea

Pretty as a picture was this poncho modeled by Barb Koetje.

Eileen modeled this dress, one of the popular fashions this spring.

Janet posed in this lovely dress she made.

Gallery of Fashion

As young models stepped through a large gilded picture frame, pivoted on a platform, and sauntered down aisles, narrators described their striking fashions. The scene was not Paris, but the LCHS gym the evening of the Mother's Silver Tea. The theme was "A Gallery of Fashion."

The girls, under the supervision of Mrs. Richendrfer had put many hours into the stitching of their garments. They were well rewarded for their work by the appreciative "oohs" and "aahs" of their mothers and friends.

At the close of the program refreshments, prepared by the Freshmen home economists, were served.

Mothers and daughters enjoyed a tea after the fashion show.

Senior Masquerade Party

The farmer caught the mouse and away they went!

Afterwards everyone came to the school for refreshments.

Rice and chow mein dishes was the menu at The Rickshaw.

Senior Trip Day

The chairlift took the seniors to the lodge at the summit of Grouse Mountain.

The monkeys were one of the chief attractions at the Stanley Park Zoo.

For the seniors, a memorable day was begun when two buses, filled with 78 spirited students and sponsors, left for Vancouver, B.C.

Their first stop was Stanley Park. After honda rides, golfing, hiking, and monkey observation at the park, the class visited Capilano Canyon. Here everyone daringly crossed the suspension bridge. Next the Grouse Mountain chair lift took the seniors seemingly into the clouds, and to the mountain lodge for hot dogs, music, and snowballing.

The seniors concluded the trip with a Chinese dinner in Whalley, B.C. and returned to Lynden tired but happy.

Most of the seniors dared to cross the swinging bridge at Capilano Canyon.

Athletes Honored at

Everyone enjoyed an evening of entertainment and delicious food in the beautiful setting.

Mr. De Jong lightened the evening with his humorous jokes and stories.

The Pep Club broke tradition by honoring all sports participants as its banquet, "A Royal Ball." Another tradition was broken with the presentation of small trophies to the senior athletes.

Several trophies were awarded to outstanding senior athletes. The Inspirational Award for football went to Dean Douma and Bruce Bode. Pete Dykstra received the Coaches Award. In basketball Dean, our outstanding star, received the Player of the Year award, and the Darigold Sportsmanship with Bruce Bode. Arie Van Weerdhuizen, who broke several school and county records received the Track and Cross Country Awards. The Whatcom County Coaches Association honored Sam Faber with a special award for his service as statistician. The coaches at LCHS presented him with a similar award.

“A Royal Ball”

Dean Douma, the LYNCS outstanding athlete, received the Player of the Year Award.

Lenny, on his throne, reigned over the festivities.

“One finger, one thumb, keep moving. . .”

Bruce Bode and Dean Douma received the Darigold Sportsmanship Award.

The beautiful setting of the "LCHS '65" was the Crystal Ballroom of the Leopold Hotel.

Juniors say "Bon Voyage"

Sailors Bob and John served the delicious punch.

Finishing touches were added to the "LCHS '65" when the juniors formally entertained the seniors with an evening of fun and fellowship in a naval atmosphere. The program, which included a barbershop octet, flute solo, and the reading of the Log was highlighted by the appointment of the Captain and the First Mate. The seniors were kept on edge until their futures were revealed to them. Mr. Leo Van Zanten, the featured entertainer provided music and "bits of gossip." The ship will soon be launched on life's sea; may it take Christ as its Pilot to chart its course to safety.

"Then there's this story about. . ." said the master of ceremonies, Doug Bulhuis.

Audrey and Doug revealed to the seniors their futures.

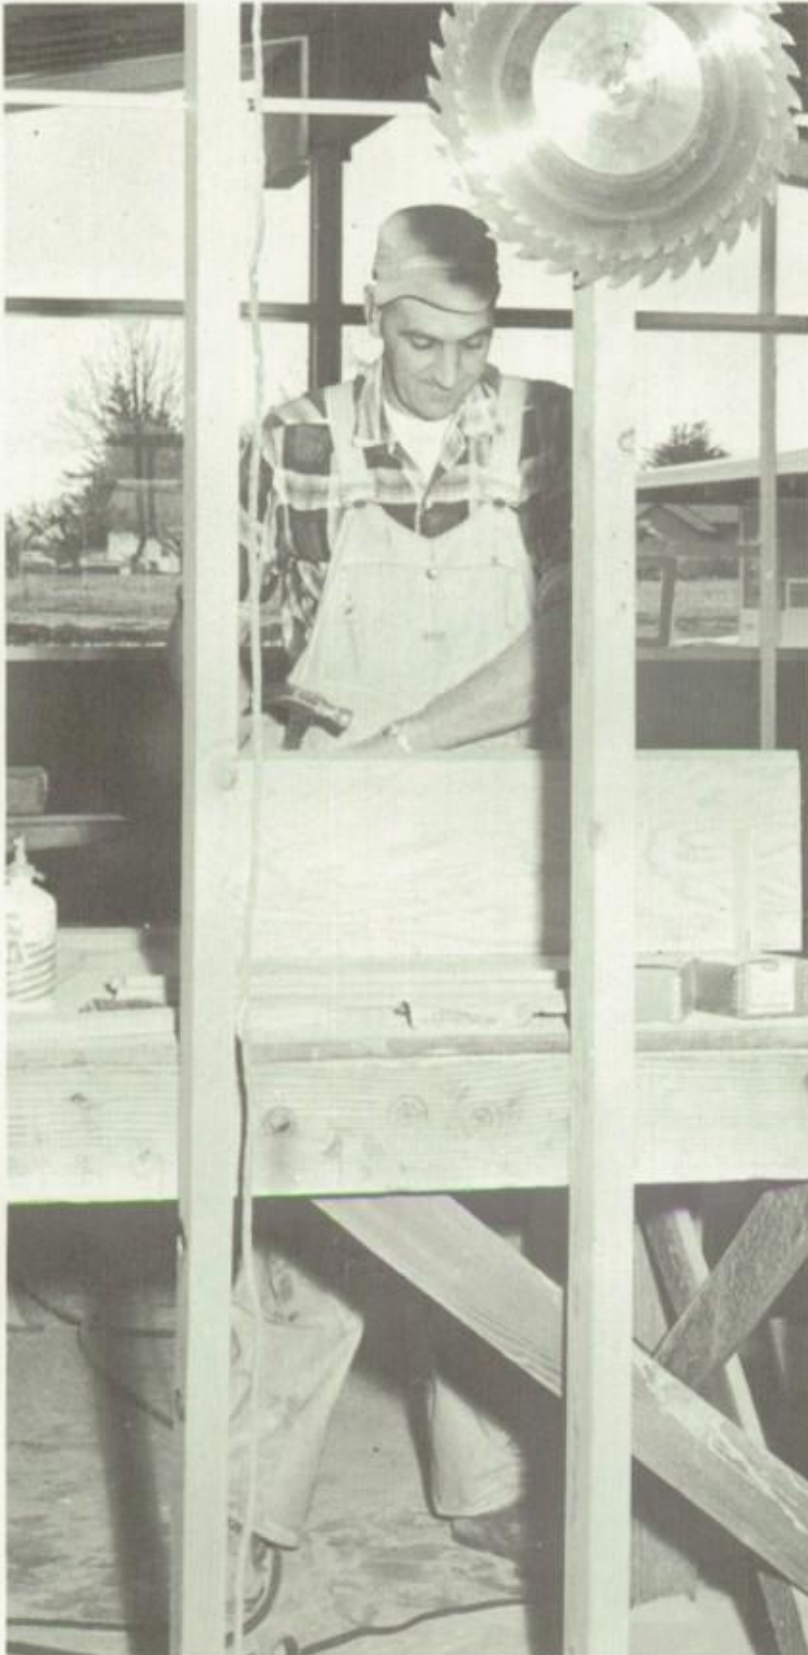

to the Seniors

The barbershop octet sang several entertaining numbers.

Mr. Leo Van Zanten was the featured folk singer and "gossiper."

We look back and recall the events and experiences that "built" our lives to this point. We remember the school work, the homework, the different classes and subjects, and how they contributed to our Christian education. We remember the exciting athletic contests, and especially the state basketball tournament. We remember the parties, the banquets, the assemblies, our class play, and Senior Trip Day. We remember graduation. We look ahead and know that the past at Lynden Christian High School built our lives for the future.
